# Mayfair Program

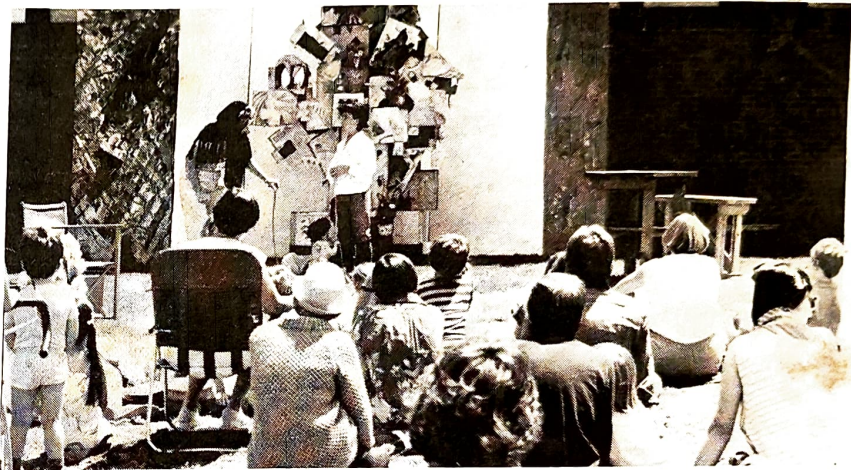

Mayfair in Kanata just wouldn't be complete without Kanata Theatre's Children's Play. This year Margaret Jardine has adapted that delightful legend, "Jack and the Beanstalk" which will delight kids of all ages and their families.

Children need to bring big voices so that they can join in the fun. The cast includes: David Barner as Jack, Keith Raney as the Giant, Props. Sally Raney and the Narrator no other than

that notorious lover of Children's productions, Laurence Thornton.

With a wish for fine weather, this production will take place outside on the north side of the Earl of March School, facing the Parkway. If wet, please go to the upstairs foyer at the Earl of March School.

Performance times: 11 a.m. and 1 p.m. — the fun and laughter is on Kanata Theatre! Happy Mayfair everyone.

Kanata Theatre's "Jack and the Beanstalk" attracted a good crowd.
