DIRECTOR'S NOTE

I hope that you enjoy today's performance. It's been over two years in the making and a monumental effort on so many people's part. As the Director I could not achieve my goals without the huge level of support that I have received. Take a look at the CAST & STAFF list in the program to see each and every person to whom I owe my thanks. Around my house the term "family production" takes on a new meaning. I owe a debt of gratitude to nine members of my family (spanning three generations) involved in helping to achieve my vision for the show. Finally to Kaitlin, thank you for helping to curb my "colourful movement" to go beyond the basic box step. Your years at Kanata Ballet are paying off, and in my book you should be proud of the dancing Wallabies as your first choreographic credit.
